

COVID-19 Update – March 16, 2020

1. The Center for Heirs Property Award reception is postponed. Their official statement is below:

As you know, events across the country are being impacted by concerns related to coronavirus. After much discussion by the Host Committee, our board, and leadership team, we have decided to postpone the Commitment to Justice event until further notice. This decision is also based on guidance of federal, state, and local governments and health officials. Most importantly, we want to keep you and your loved ones safe and healthy.

It is our intent to reschedule this important event honoring Mrs. Christine Osburn Jackson and to recognize all sponsors and ticket holders. We are working to reschedule this event and will update you once the new date has been set.

We will be in touch soon, and appreciate your patient understanding. If you have any questions, please contact Brett Wadford at bwadford@heirsproperty.org or call 843-745-7055.

Thank you for your continued support of the Center.

Sincerely,
Jennie L. Stephens
